There is an administration charge of £3.00 per car per day to cover the cost of postage and your plaque. However we have waived this charge for our new 2010 events at Loseley Park, Bodelwyddan Castle & Nostell Priory. On receipt of a Cheque or postal order or credit card payment each display vehicle entered will receive a pass for each event booked allowing entry to the site for TWO Adults and TWO Children. Any additional adults arriving in the vehicle will be required to pay the normal customer admission price. The passes are valid until 11.30am on the day of the event thereafter all occupants of classic cars will be charged the normal admission price irrespective of if they have a pass or not. There is a cut off deadline for booking all shows which is the Friday either nine or ten days prior to each event after which passes will not be sent out. After this date classic car owners can still participate in the show, subject to space, but will be required to pay the normal customer admission price on arrival at the event. If you are a private entry there will be sections in which to display your vehicle marked off for you on arrival at each event. Classic Cars for sale are allowed to participate all we ask is that you do not pre book but pay the normal customer admission price on the day and if you sell your vehicle good luck to you!!

If you are a club representative please complete the table overleaf with the number of pre 1995 cars you wish to bring to each event, you will be allocated space accordingly. Please note that this form is for pre 1995 classic cars only, if you represent a club which has cars both pre and post 1995 cars you are welcome to bring 25% of your display cars as post 1995 however you must submit a list of all participating cars and ages along with this form showing only one car in four to be post 1995. It is the responsibility of the club stand organiser to distribute tickets prior to the event not the responsibility of our gate staff on the day.

Please note that Sports Car Sunday on 1st August at Capesthorpe Hall is open to sports cars and kit cars only, the maximum number of cars on a club stand at Cholmondeley Castle is 15, and the minimum number for club displays at all events is 3 cars.
